**Overview:** Elegant Penthouse with 125 m<sup>2</sup> Private Solarium in Estepona's Port Area Just a three-minute walk from the marina, this beautifully upgraded penthouse in Vista África offers a rare opportunity to enjoy spacious outdoor living in one of Estepona's most connected and desirable neighborhoods. Situated on the sixth floor, the property welcomes you with a central entrance hall that flows into a bright living and dining area, connecting directly to a 20 m<sup>2</sup> glazed veranda. This enclosed terrace has been thoughtfully adapted into a year-round lounge, dining, and reading space — where you can even enjoy partial views of the Mediterranean and Gibraltar, making it a tranquil setting both day and night. From the veranda, an oak staircase leads to the show-stopping feature of the property: a 125 m<sup>2</sup> private solarium. Fully equipped for entertaining and relaxation, the rooftop level includes a covered lounge, dining area with outdoor kitchen, marble worktop, sink, and retractable awning. There is ample room for sunbathing, with complete privacy thanks to its end-unit position and only one adjoining neighbor. The home comprises three bedrooms and two bathrooms, including a generous master suite with ensuite. The kitchen has been thoroughly renovated with Norwegian marble countertops, full Miele appliances, a filtered water system, and a refined blend of form and function. Every space has been upgraded with Airzone Cloud A/C (installed 2022), new wall sockets, and fresh finishes throughout — including whitewashed walls and high-quality fixtures. While the property does not offer full panoramic sea views, it enjoys partial vistas of the sea and Gibraltar, mountain views to the north, and a dynamic backdrop of Estepona's rooftops — a true urban oasis with a coastal flair. Vista África is a well-established, high-quality building known for its well-kept communal areas, including: Two swimming pools with sun loungers Fully equipped gymnasium Sauna and changing rooms Private underground parking space Storage room
