Описание: Comfortable and very well-maintained apartment located on the 3rd floor of a building with an elevator, in a quiet and peaceful area. The property consists of two spacious bedrooms and two bathrooms – one with a shower and the other with a bathtub. A bright living room with direct access to a large terrace offers stunning views of the surrounding golf courses and the Mediterranean Sea. There is also a separate, bright, and well-equipped kitchen. The apartment is part of a gated, well maintained residential complex with beautiful gardens. The complex offers excellent amenities for residents: three swimming pools (including one indoor and heated), a gym, and tennis and padel courts. An underground parking space is included in the price. The community is exceptionally quiet, surrounded by golf courses, yet well connected — with a bus stop and school transport routes nearby. The beach is just 1.3 km away. This is an ideal place for year-round living, holiday relaxation, or as a rental investment. A very attractive property — definitely worth seeing.
